

God our Father, Creator of all life, You value and love each and every person beyond comprehension. Our society is currently allowing and even promoting the murder of many innocent lives, which belong to You alone. In various ways, great or small, we have all been a part of this destruction of life; we ask Your forgiveness. Do not abandon us to depravity; we beg You to convert our hearts and turn them back to You. We ask that this conversion be made manifest by the election of a pro-life president and pro-life super-majority in the House and Senate. To this end I offer You my prayers and sufferings of today for the state of (insert state name), and I unite them to Your Son's Cross. Praised be Your Name forever!

Optional: Our Lady of Guadalupe, patroness of the Americas and of the unborn, we entrust our nation to your loving care.
